## CARPARK WORKS COMPLETE

With some financial help from the Club's tenant, we have managed to pave the vacant lot adjacent to the club rooms. It has made a huge difference in the appearance and utility of the club rooms. We have received very positive feedback from members, (e.g. Have driven pass the club and have to say how lovely the new seal which has been laid. I would like to pass my thanks to the committee on a job very well done.) The only problem is it also seems to have had a very positive effect on the tenant's business and it can now be difficult to get a parking spot on club nights!

## ACTING PRESIDENT'S LETTER

Hello Everyone

Auckland Car Club has now completed its summer race series although it is almost a month later than usual due to a postponement to our March round at Pukekohe and the extreme weather event at the time. We ran the postponed meeting at the end of April and once again it was a wet one with conditions being very border line at times. As the Clerk of the Course for the day I had considered several times during to declare force majeure but the rain would ease a little and we could push on.

The day included a one hour race for the Production Race Series held just before lunch and in terrible conditions which resulted in 30% of the race held under safety car due to cars off the circuit and parked in dangerous positions.

The driving standards were high though and no carnage. With some of the slower cars opting to do their pit stops under the first safety car they ended up at the front as the race wore on resulting in some of the fastest cars needing to work very hard to get back to the front resulting in a very mixed bag in the top ten finishers.

The rest of the day was made up of sprint races for all other classes and the pace of some cars in the wet was very quick indeed with a very notable display from Dean Hansen in his bright yellow HQ Holden in the muscle cars.

Our race meeting prior on the 9th of April was at Hampton Downs and the day ran very well. The weather was with us this time and the meeting was very well attended. Unfortunately we had a competitor take a bad turn after one of the races and we required the Westpac helicopter to air lift him to hospital but I am very pleased to say that after an emergency procedure he is doing well and on the road to full recovery.

I would like to thank all classes for their support of the Auckland Car Club over the season and in no particular order they are: All Classic Japanese - Northern Muscle Cars - Production Muscle Cars - Production Race Series - Racing Saloons - Clubmans Sports Cars - North Island Formula Ford. Many thanks to the Motorsport club as we wouldn't be able to it without their volunteers and of course the many volunteers that show up as part Auckland Car Club's own team.

We now look forward to our winter events which are the Far North Rally and our clubsport event which is a standing and flying kilometre with Thames Valley Car Club. It is worth noting that all cars are eligible for this event as it is on tar-sealed roads and is simply a standing start kilometre leading straight into kilometre two being the flying kilometre. The Bob White memorial trophy is up for grabs and it is a very impressive trophy to have in your cabinet.

That's all from me folks.

Brett Davy

## COUNTERFEIT SAFETY HARNESES ON TRADE ME

DRIVERS BEWARE – don't sacrifice safety for savings

Motorsport New Zealand has discovered counterfeit Safety Harnesses on TradeMe

How to recognise the counterfeit:

1. There is no FIA Holographic Sticker sewn into the Harness with the Standards Label on the LH Shoulder Strap as is mandatory on all Harnesses with a validity Date of 2018 or later. There is an identification label only on this strap.
2. The FIA Standards Label is actually sewn onto one of the Lap Straps instead of onto the mandated LH Shoulder Strap
3. The Harness was a 5 Strap Harness but none of the straps had the FIA-C-### marking that a 5 Strap Harness should display. Not even the Crotch Strap!
4. The FIA Standards Label displays the Standard 8854.98, which is for a 4 Strap Harness, and then below that displayed only FIA-D-279.98 which identifies only a 6 Strap Harness
5. The homologation Numbers on each Strap do not match each other

Scrutineers will be keeping watch at all meetings.

### RALLY OF THE NORTH 17 JUNE 2017 – FILLING FAST

The Copthorne Bay of Islands Far North Rally is being organised by the Auckland Car Club, the Northland Car Club, the Hibiscus Coast Motorsport Club and the Northern Sports Car Club.

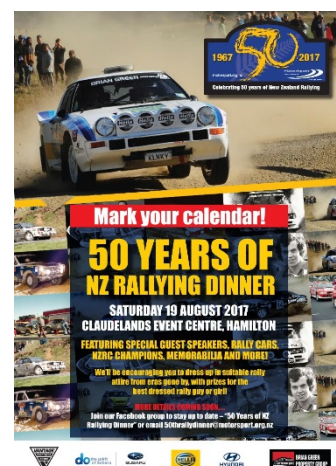

You can find the details on our web site at <http://www.aucklandcarclub.org.nz/?id=381>, or contact the club ([secretary@aucklandcarclub.org.nz](mailto:secretary@aucklandcarclub.org.nz) Craig Holmes 021-889-488).

### CELEBRATE 50 YEARS OF NZ RALLYING

The Auckland Car Club was an early supporter of rallying in New Zealand, and many members would have their own special stories from 50 years of rallying.

(left) Mike Marshall and Arthur McWatt stamped their authority early on the New Zealand rally scene. Arthur went on to become one of the Club's leading rally administrators (credit Jack Inwood)
